## **SilentArena goes Down Under**

*This April SilentArena fly to Australia to put on one of the largest Silent Discos ever*

SilentArena are proud to announce their largest Silent Disco in Australia to date. On Saturday 17<sup>th</sup> April the Welsh crew will be in attendance at Every Picture Tells a Story – “Frequency Shift”, a thirteen hour music, art and dance festival presented by Melbourne Underground Development (M.U.D.) in association with Kiss FM. With a capacity of 3000 the Silent Disco is set to be huge starting at 1am and going until 6am allowing the party to go on into the small hours of the morning.

M.U.D are dressing up a massive warehouse in the Melbourne Docklands with the event featuring DJs from across Australia and the globe, fantastic laser shows, stunning sound systems and of course the SilentArena know-how the party is looking to be the event of the Melbourne autumn calendar.
