Wales' Biggest Silent Disco

*Swansea Students Union presents Silent Disco by SilentArena at Summer Ball 2008 in Singleton
Abbey Meadow, Swansea, 11th June 2008.*

On June 11th, Swansea University's summer ball, in conjunction with SilentArena, will play host Wales' biggest Silent Disco as nearly 2000 clubbers will don headphones to rock the night away in silence. Tickets are sold out for the event, and thus the Silent Disco is expected to be the biggest of its kind in Wales. The ball festivities begin at 4pm with the Silent Disco due to start at 12am and run till 2am.

The Silent Disco will see out the festivities at the ball. It is an innovative solution to the noise restrictions placed on the event. Allowing it to run 2 hours longer than usual. SilentArena's presence at **THE** event of the Swansea student calendar highlights the growing interest in Welsh based crew. With close to 2000 participants expected at the disco you can be sure it won't remain silent for long. This record breaking event will surely be an experience not to be missed as Wales holds it largest ever silent disco!
